

BE SEEN AT THE BALLPARK!

CASTLE FIELD

Ballpark signage stands as one of the oldest and most effective advertising methods. Its enduring presence in the game has carved out a special niche, providing a tried-and-true platform for conveying your message to the enthusiastic fans at Castle Field. This picturesque ball field serves as the home base for numerous local teams, attracting a substantial fan base. Throughout the year, Castle Field hosts several large tournaments, drawing fans not only from Anoka but also across the entire Midwest.

Your banner will proudly hang from April through October, ensuring a prolonged and consistent exposure. Your sign will command attention and visibility throughout the spring, summer, and fall, making it a strategic and impactful way to reach a broad audience and support local athletes.

CFA is a 501c3 non-profit charitable organization that oversees the ongoing operations & scheduling of Castle Field. Banner sale proceeds will be used for the continued maintenance of Castle Field as well as supporting local baseball programs participating in this banner program.
